

EE-Newsletter #2

The Electronic Environmental Newsletter from the Environment Partnership
September 2004

Celebration of our Right to Roam

In conjunction with Oldham Countryside Service, the Environment Partnership has organised a walk to mark our the Rights to Roam. The 5-mile walk will take place on Sunday 19th September. All those wishing to take part should meet at 1.00pm on Binn Green (off the A635), Greenfield. A pub visit option is included. For further details phone Oldham Countryside service on 0161 620 8202

Volunteers needed for questionnaire on Renewable Energy

Oldham Environment Partnership is undertaking a questionnaire to find out what local people think about wind, solar, hydro and other renewable energy technologies. The results will be published, and help shape the borough's Renewable Energy Strategy. If you can spare a few hours to ask people on the street for their views, please contact adam.hackett@oldham.gov.uk or phone Adam on 0161 911 3438.

Metrolink Campaign Update

Environment Partnership Chair, Bill Edwards spoke in support of Metrolink at the public rally held on Friday 10th September in Spindles Shopping Centre, Oldham town centre. Bill has also written to Tony Blair on behalf the the Environment Partnership in support of Metrolink.
