

## **PRESS RELEASE**

### **Drama Company Delivers Play on Environmental Issues**

The Altru Drama Company will be delivering a play on environmental issues to the four primary schools in Hathershaw and Fitton Hill. Tuesday to Friday of next week.

This project is being organised and funded by the NDC Neighbourhood Solutions Project.

The play will give the youngsters a range of green issues to think about such as recycling, fly tipping and litter. They will also do a range of fun filled activities that will allow them to take on board the seriousness of the issues involved

The play will be followed by some classroom workshops to help the pupils look at the green issues in more detail.

Miriam Biran Street Scene Liaison Officer said.

“Working with the schools and educating our future generations about the environment and the issues surrounding it are important. Getting young people to think about these issues responsibly is key to them understanding and improving their community”.

The sessions will be held at the following:

Tuesday 8<sup>th</sup> April - St Martin's Primary

Wednesday 9<sup>th</sup> April - Medlock Valley Community Primary

Thursday 10<sup>th</sup> April - Holy Rosary Primary

Friday 11<sup>th</sup> April - Broadfield Primary

**ENDS (Issued 4<sup>rd</sup> April 2008)**
