

**Boundaries**

- Boundaries
- HMR Boundary
- LDF Boundary

**Metrolink**

- Metrolink Stations
- Metrolink Routes

**Waterbodies**

- Main Rivers (V8.0)
- Canals
- Other Watercourses

**Hydraulic Interactions**

- Hydraulic Interactions

**Development Allocations**

- Employment
- Housing
- Mixed
- Protected Land
- Schools

This plan has been produced in accordance with PPS25: Development and Flood Risk.

The plan shows the interactions between different sources of flooding. This map should be used when applying the Sequential and Exception Tests and should lead to further consideration of hydraulic interactions in site specific FRAs.

Some sites are shown as housing but have since been discounted through the Strategic Housing Land Availability Assessment, for example some Other Protected Open Land.
