0105/1/004/S GS2 Former Neptune/Schlumberger Measurement Works
Text of summary comment expanded to: 'Glad to see designation of the site as Green
Belt but would want the parts of the site that are not in industrial use conserved as
open space for recreation'. The type of representation is changed to an objection.
Amended reference is 0105/1/004/O.

Government Office for the North West
0021/1/029/O GS2 2.13
Replace 'the Green Belt policy' with the 'the Green Gap policy'. Amended summary
comment reads: 'There is a reference to Local Green Gaps being given equivalent
protection to Green Belt, however *the Green Gap policy* needs to be made less
restrictive.'

0021/1/057/O OE1.8 Local Green Gaps
The policy reference has been changed to OE2.1 Landscape.

Agent: Eagland Planning Associates

0040/1/017/O B2.3

Add a new objection to policy B2.3 Existing Businesses within the Green Belt: 'Limited development should be allowed within existing curtilages of disused mills and other business premises in the Green Belt for employment, including as part of a mixed use scheme, subject to protection of flora and fauna and Green Belt policies..

David Sanderson

0345/1/004/S GS2 Royal George Mills/Fletcher Mill, Greenfield

Supporting representation changed to an objection. Amended reference is

0345/1/004/O.

To be confirmed

Agent: Chorlton Planning

0832/1/001/O GS2 Land at Steadway, Greenfield

This objection has been deleted.

Uppermill Residents Association

0007/1/012/S W1 Waste, Pollution and Energy

Divide the comment into a supporting representation: 'Supports policy for good waste management'; and a new objection (below).

0007/1/030/O W1.2

New objection: 'Queries the inference that the landfill site at High Moor Quarry, which is not used for the disposal of waste for Oldham, reads as though it is.'

West Pennine Plant

0436/1/001/O GS2 Land south of Higher Hills Farm, Grasscroft

Delete 'and the former quarry'. Amended objection reads: 'Remove land to the south of Higher Hills Farm from the Green Belt and allocate it for housing. Development would consolidate edge of built-up area and provide local housing.'
