

Fact Sheet -1

Who might get a Personal Budget?

If you have an Education, Health and Care Plan, you can request that an assessment for a Personal Budget is carried out. This may include elements of support from Education, Health and Social Care.

If you do not have a Special Educational Need you can still make a request for a Personal Budget in Health and Social Care only. There needs to be an identified need in these areas and an assessment that shows your child is eligible for additional targeted support.
