One of the problems is knowing which children may need support during the Transitions process. We have highlighted some groups that we can identify, and the final ‘Transition cohort’ is a combination of these.

We accept that there are some children we just won't know about and they may still require support from Adult Services as they grow into adulthood.

One proposal is to establish a Transitions Team who would be responsible for managing the cohort from Y9.

NEW Integrated Assessment
- Health Action Plan – Ready-Steady-Go
- Transition Action plan (TAP)
- Connected to EHC

NEW Interactive Self-Assessment Tool
- Available online
- Accessible
- Supports life choices around Housing, Education, Employment
- Advice and guidance on financial matters

- Refer to legal advice re. decision making if appropriate
- Gets Young people, and families, involved in decisions
- Signposting to support or sharing groups
- Contact details for key agencies and organisations
- Opt-in available for further contact with Adult Services
- Any personal information held securely
Transition pathway 1 – Optional / Supported
For children with a SEN requiring < 15 hours support per week
Advice, guidance and support if required
Y9 – Y13 (14-18)
**Transition pathway 2 – Promoted / Pro-active**

- EHC plan in place
- SEN requiring > 15 hours support per week
- Complex health needs
- Known to LD team
- Y9 – Y13 (14-18)

Interactive self-assessment tool

- Analyse and check list is complete
- Supplementary tailored careers advice if requested
- Make sure schools and SENCOs know what support is available and what the transition process is

EHC

- Review EHC plans for Y11 cohort
- Monitor annual reviews to Y18 (school, college, training provider)

Annual review of EHC till aged 18 (school, College, training provider)

Actions for next 12 months

Combined list SEN>15, EHC, other children with additional or complex needs
Transitions Pathways Post-18

- Statutory Adult Social Care replaces EHC
  - EHC continues until end of education
    - End of education
    - Non-statutory pathway plan for LAC
      - Ends at Age 25 max
    - No Adult Services involvement unless referral
      - Referral
