

# Channel General Awareness

## Free Prevent Training

The National Centre for Applied Learning Technologies (NCALT) are offering free e-learning which includes information on how Channel links to the government's counter-terrorism strategy (CONTEST) through the Prevent strategy.

It also provides guidance on how to identify people who may be vulnerable to radicalization and how to refer them into the Channel programme.

There are case studies to help you understand the process of identifying and referring vulnerable individuals, in addition to providing you with support

**This training is required for all governors to complete.**

The training takes approximately 20 minutes to complete in which a certificate can be printed off at the end.

Governors must provide a copy of the certificate to the school to be kept on file for any future Ofsted inspections.

You can access the e-learning by clicking on the website link below
