

# Prevent Awareness Online Training

This **free** e-Learning offers an introduction to the Prevent duty and explains how it aims to safeguard vulnerable people from being radicalised to supporting terrorism or becoming terrorists themselves.

A link to the prevent duty guidance is available at the end of the training.

The training provides an important foundation on which to develop further knowledge around the risks of radicalisation and the role that individuals can play in supporting those at risk.

The e-learning has been developed by HM Government following consultation with a range of individuals and organisations with beneficial feedback from teachers, local authority officials, community-based groups, youth workers and many others.

## Oldham Governors

This training is required for all governors to complete.

The training when completed, will generate a certificate which can be saved and printed off.

Governors must provide a copy of the certificate to the school to be kept on file for any future Ofsted inspections.

The e-Learning can be accessed on the website link below:
