Oh very young, what will you leave us  
this time, You're only dancing on this earth  
for a short while, And though your dreams  
may toss and turn you now, they will vanish  
away. And if you want this world to see a  
better day, Will you carry our words of  
love with you, when you ride the  
great white bird into heaven.  
Oh very young, my son

**Watson, Duncan**

Oh fiancé of mine. If I could tell the  
feelings in my heart, how sad I am
